2023 Ladies

Golf Academy

Ladies, it's your turn to have fun! Welcome to my Ladies Golf Academy at White Mountain Golf Center. The Ladies Program will be five weeks in length. Each class will be approximately 3 hours. This will include a one-hour golf lesson and nine holes of golf. During the round of golf there will be instruction plus rules and etiquette.

This Ladies Golf Academy is for having fun with your friends, but you are also here to learn about your golf swing and the game of golf.

At this time the ladies program is limited on a first come, first served basis.

The one hour golf lesson will be given under our covered roof, if it rains. If you miss a class you will receive a gift certificate for a round of golf upon your return.

Ask your friends to join you, in our Ladies Golf Academy. I will pair you together for the program. Just put their names and address on your application. And I will send them an entry form!

We look forward to your participation in the greatest game of all.

Sincerely,
